Habitat for Humanity – Artist Door Project

Colleen Robinson and Debbie Madden were in attendance to provide information on the door project. There was discussion about displaying doors at the civic center. It was agreed that the doors of Sequim participants could be on display for the First Friday in March.

Perhaps CAAC members would like to do a door? This would be a good prelude to Keying Around.

“Empty Bowls” project

A subcommittee is needed for this project. This will be discussed at the next meeting.
