Information

Ann Soule, Resource Manager with Public Works, is submitting a grant. She asked if the Arts Commission would be a partner in Safe Routes to Schools funding program to encourage biking and walking to school to reduce obesity and increase safety. The City will take the lead and the CAAC put public art on a new fence in front of Helen Haller with the walking school bus idea and/or a bike train memorialized on a fence. Other partnering with B&G Club and their staff get money from grant to supervise the activities. This is a \$1.7 million grant that incorporates many aspects. The safety and art elements are included in this project. If we receive the grant, it will happen in late 2017 or early 2018.

The Commission expressed their support.
