PUBLIC COMMENTS

Although *no* public comment is *required* to be provided for at City Council meetings, City Council members have provided for two public comment periods.

Not all agenda items are appropriate for public comment. Matters which are or were the subject of a public hearing for which required notice was given are topics where public comment outside of the public announced hearing are not allowed by law. Matters that may affect liability for the City are not appropriate for comments from the public even though it may be an agenda item. Frequently questions from the audience to the council or to staff or to consultants are not appropriate to answer at a council meeting. The chairperson will explain when public comment is not appropriate as the need may arise.

Public Comment Rules:

1. Come to the lectern; state your name, address, and topic for the record.
2. Please limit your comments to 3 minutes.
3. Please refer to the sign-in sheet for additional rules.
