Water Testing Notice

The City of Sequim staff operates a Group "A" water system for the citizens of Sequim. The staff follows guidelines and requirements from the State of Washington Department of Health and US Environmental Protection Agency. In these yearly requirements there are many tests we are required to do. One of the testing protocols is Lead and Copper Monitoring. During the months of June and July the City's Water Department will be conducting lead and copper water sample testing. Thirty (30) tests are required. You may be asked to provide a sample from your house. Please help us keep our water clean and safe to drink. Test results will be available upon return from the lab. If you would like to learn more about Lead and Copper Monitoring visit the Washington Department of Health's web site at <http://www.doh.wa.gov/ehp/dw/Publications/331-111.pdf>, visit the City of Sequim's Public Works Department at 615 North 5th Avenue, or call 360-683-4908.

SmileMobile - Coming to Sequim

The SmileMobile is operated by the Washington Dental Service Foundation and funded by Washington Dental Service in partnership with Seattle Children's Hospital. It is a modern, fully equipped, mobile dental clinic, travelling around the state providing dental care to children who have no other access to care.

The SmileMobile will be in Sequim July 26 - August 10, 2010 at the Boys and Girls Club, 400 West Fir Street. For more information, visit <http://www.deltadentalwa.com>.

Sequim History - 1965

- Plans and specifications for the proposed sewerage treatment plant were approved by Council. A 30% government grant was received to help pay for the plant.
- Council passed an ordinance adopting the building provisions of the Uniform Building Code.
- The State Traffic Code was adopted by Council.
- George Roats, the Town Engineer, was appointed the town's building inspector.
- Several plats were approved and accepted by the Town, including the Matriotti-Dunlap Second Addition; Sprague's Second Addition (street names accepted were Willow and Oak); and the Kirner Addition plat.
- The PUD replaced the old street lights with small vapor lights at the cost of \$3,000.
- Pacific Northwest Bell Telephone was approved to bury phone lines in the new Knapman Addition and Matriotti-Dunlap Second Addition.
- Iris Marshall was reappointed Fire Chief.
- A resolution was adopted creating the position of Finance Officer per state law.
- The City Employees Retirement Program was adopted and implemented by the Town for its 3 full-time employees.
