GRADING PERMIT CHECKLIST

Completed Application

Application fee (\$15.00)

Two copies of a scaled grading plan showing North arrow and:

1. Legal description and parcel number (or tax number).
2. Property lines and dimensions with contour lines.
3. Proposed road access points.
4. Dimensions and depth of cut and fill.
5. Street names and any easements or vacations.
6. Location and diameter of existing trees.
7. Temporary erosion and sediment control measures (TESC).
8. Limits of vegetation clearing.
9. If storing overburden on site, indicate location of the store material on your site plan. If removing to another location, indicate the proposed location.
10. If applicable, delineated critical area boundaries and buffers.
11. If applicable, existing or proposed septic system location.
12. If applicable, location of any buildings or structures on the lot where work is to be performed and the location of any buildings or structures within 15 feet of the proposed grading.
13. Existing and finished grade for subject and adjoining properties in contour intervals of sufficient clarity to indicate nature and extent of the work, showing compliance with IBC Appendix J, grading.

Copy of survey if available

Geotechnical report (when necessary)

Liquefaction study (when necessary)
