

Coffee with the Mayor Recap

Date: December 15, 2016

Policy Issues	
Topic	Resolution/Action/Notes
Is Sequim going to open parks to tent cities?	Mayor: that has not been a topic of discussion. Homelessness is a national problem and Clallam County has created a task force to begin to address this.
Routine speeding and reckless driving on South 7 th and Silberhorn. Police set up radar at 90 degree bend where cars have to slow down so they don't catch the speeders.	Mayor: will address this to the appropriate people.
Will Legacy Ridge further reduce water pressure in the southwest part of town?	PW: no—they will have to either pump City water up to their development or connect to PUD water, either of which will come under Council review.
What's going on with the Growlers?	Mayor: Navy has said the number of planes will double next June. Derek Kilmer's office would be a good place to express concerns.

Operational Issues	
Topic	Resolution/Action/Notes
Turning out of the Safeway parking lot mid-block is hard. Are there plans for a signal there?	PW: No.
How can people help the homeless?	Mayor: Serenity House and St. Vincent de Paul are two resources.
Drivers go the wrong way on the new Re-use Park driveway.	Mayor: Will talk with police.
What is status of fireworks in the City?	Mayor: Resolution passed to ban them taking effect in 2018.

	Mayor: New Police Chief Sheri Crain will be sworn in on December 16.
	Mayor: West Fir Street project has received \$3+ million in grants and is moving forward.
Holiday street decorations are appreciated.	
Some business have let the look of their store frontages decline.	Mayor: Will address this to the Chamber of Commerce.
County Issues	
Topic	Resolution/Action/Notes
Where is the huge bed and breakfast I've heard about?	Mayor: Outside the City near Blyn.
