KCDA's commitment is to save our members time and money. We contract for products and services through a sealed bid process which eliminates the need for you to engage in the time consuming practice of issuing bids on behalf of your school district or public agency. Since 1938 KCDA has been at the forefront of purchasing cooperatives helping our members address their general supply and capital project needs.

Our Purpose

KCDA was founded in 1938 by school districts wishing to combine their collective purchasing power in order to lower their overall procurement costs.
