Re: Water Right No. G2-29239 for Port Williams Well Field

Dear Mr. Haines:

In response to your request, you are hereby granted an extension to complete construction for the reasons below:

- Due diligence is shown in development of Permit G2-29239.
- Additional time is needed to secure funding necessary for construction and outfitting of additional wells and to investigate methods for mitigating potential aquifer declines caused by pumping.

The new deadline to submit your *Construction Notice* is **July 1, 2024**.

The City of Sequim must continue to comply with the terms and conditions specified in the *Stipulation and Agreed Order of Dismissal of PCHB No. 97-41* dated September 8, 1997 and the associated Settlement Agreement and submit data annually, as required.

YOUR RIGHT TO APPEAL

You have a right to appeal this decision to the Pollution Control Hearing Board (PCHB) within 30 days of the date of receipt of this decision. The appeal process is governed by Chapter 43.21B RCW and Chapter 371-08 WAC. "Date of receipt" is defined in RCW 43.21B.001(2).

To appeal you must do the following within 30 days of the date of receipt of this decision:

- File your appeal and a copy of this decision with the PCHB (see addresses below). Filing means actual receipt by the PCHB during regular business hours.
- Serve a copy of your appeal and this decision on Ecology in paper form - by mail or in person. (See addresses below.) E-mail is not accepted.

You must also comply with other applicable requirements in Chapter 43.21B RCW and Chapter 371-08 WAC.

EXTENSION REQUEST

If you can't meet the deadline of the required construction schedule you may request an extension.

Extension requests shall be in writing and accompanied by a \$50 fee.

The following information must be included with the request:

Water Resources Program policy POL-1050 applies to all requests for extensions of time, and the granting or denial of the request received pursuant to RCW 90.03 320 or 90 44.060 see the following link for that policy:

<http://www.ecy.wa.gov/programs/wr/rules/images/pdf/pol1050r.pdf>

The permit holder may request an extension of time to any of the three developmental stages, specifically the Beginning of Construction date (BC), the Completion of Construction date (CC), and the Proof of Appropriation date (PA).

Every extension of time for a development phase of a permit must be requested in writing and accompanied by the required \$50 fee.

The permit holder must show good cause for needing the extension, and demonstrate the due diligence and good-faith efforts made to comply with the original or updated construction schedule. The permit holder is responsible for ensuring that the permit is in good standing, and if necessary, for initiating requests for extensions.

Requests for extensions must include:

- The reason(s) for needing the extension.
- A description of efforts made since the permit issued or the last extension was granted.
- A proposed schedule for completing the development.

Additional information may be required. Please use a separate sheet of paper for your extension request.

Check the region in which your proposed project is located Southwest Northwest Central Eastern.

Below is a map of the State of Washington, with outlines of the areas covered by the four Ecology regional offices.

If you have additional questions, contact the Water Resources Program at the regional office in which your project is located:

Northwest Regional Office:
