

2023 City of Sequim Community Survey
GIS Maps

Presented to the City of Sequim, Washington

February 2024

ETC INSTITUTE

Interpreting the Maps

The maps on the following pages show the mean ratings for several questions on the survey by Census Block Group. If all areas on a map are the same color, then residents generally feel the same about that issue regardless of the location of their home.

When reading the maps, please use the following color scheme as a guide:

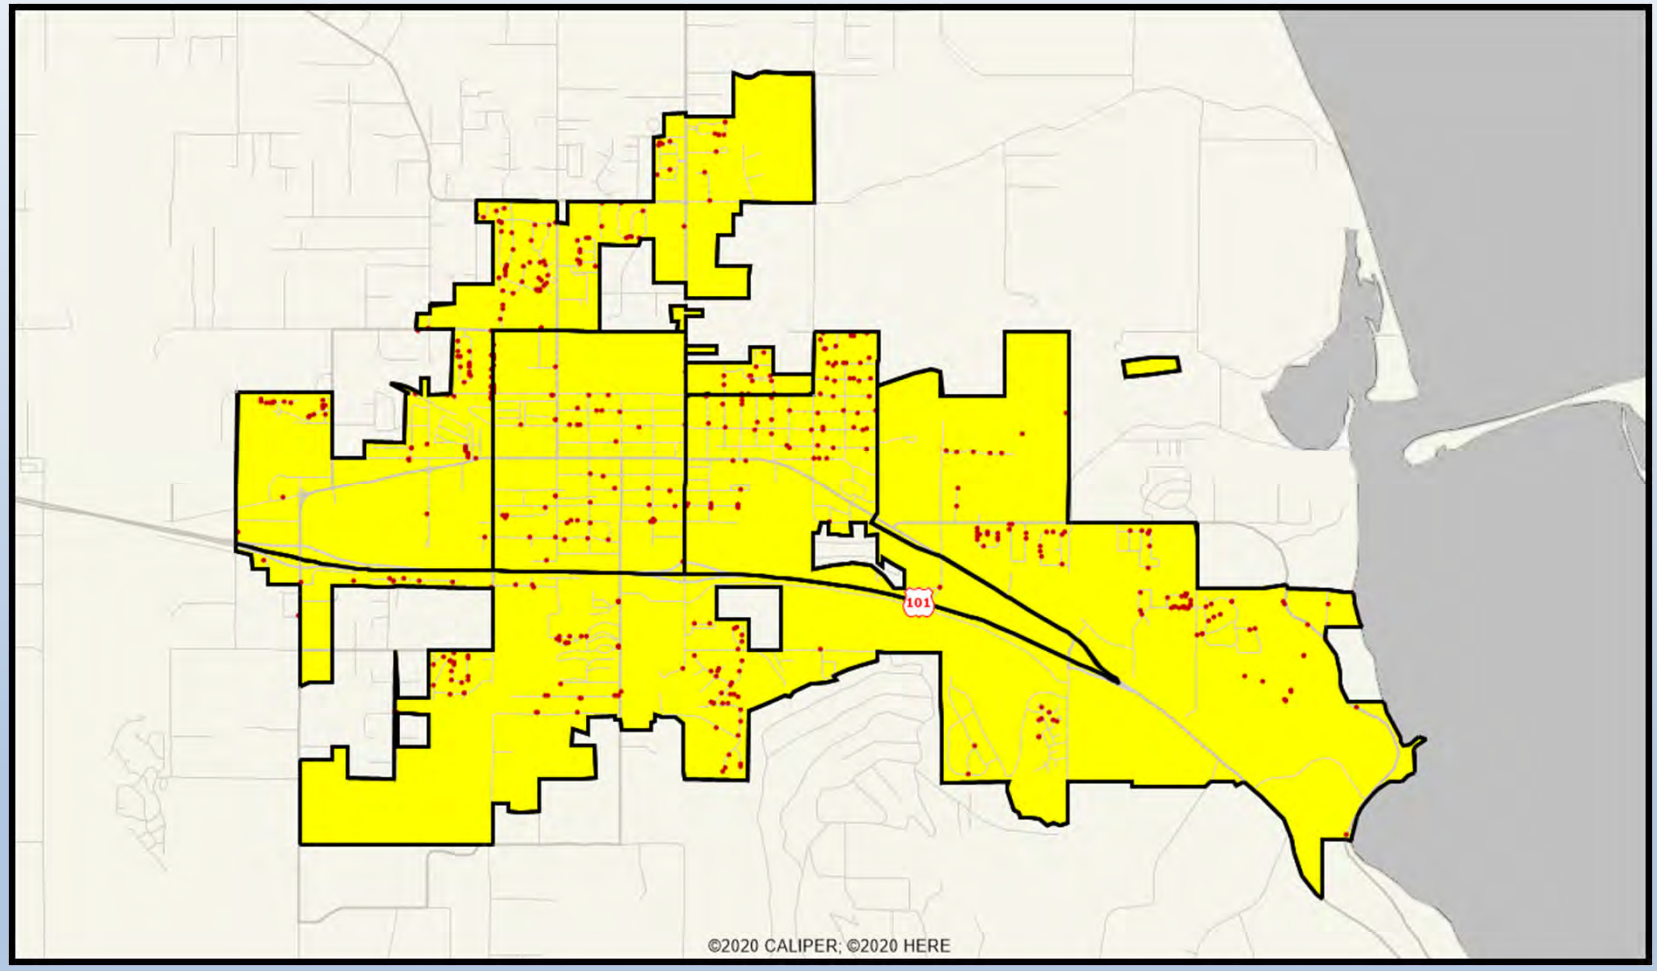

- DARK/LIGHT BLUE shades indicate POSITIVE ratings. Shades of blue generally indicate satisfaction with a service, ratings of "excellent" or "good" and ratings of "very safe" or "safe."

- OFF-WHITE shades indicate NEUTRAL ratings. Shades of neutral generally indicate that residents thought the quality of service delivery is adequate.

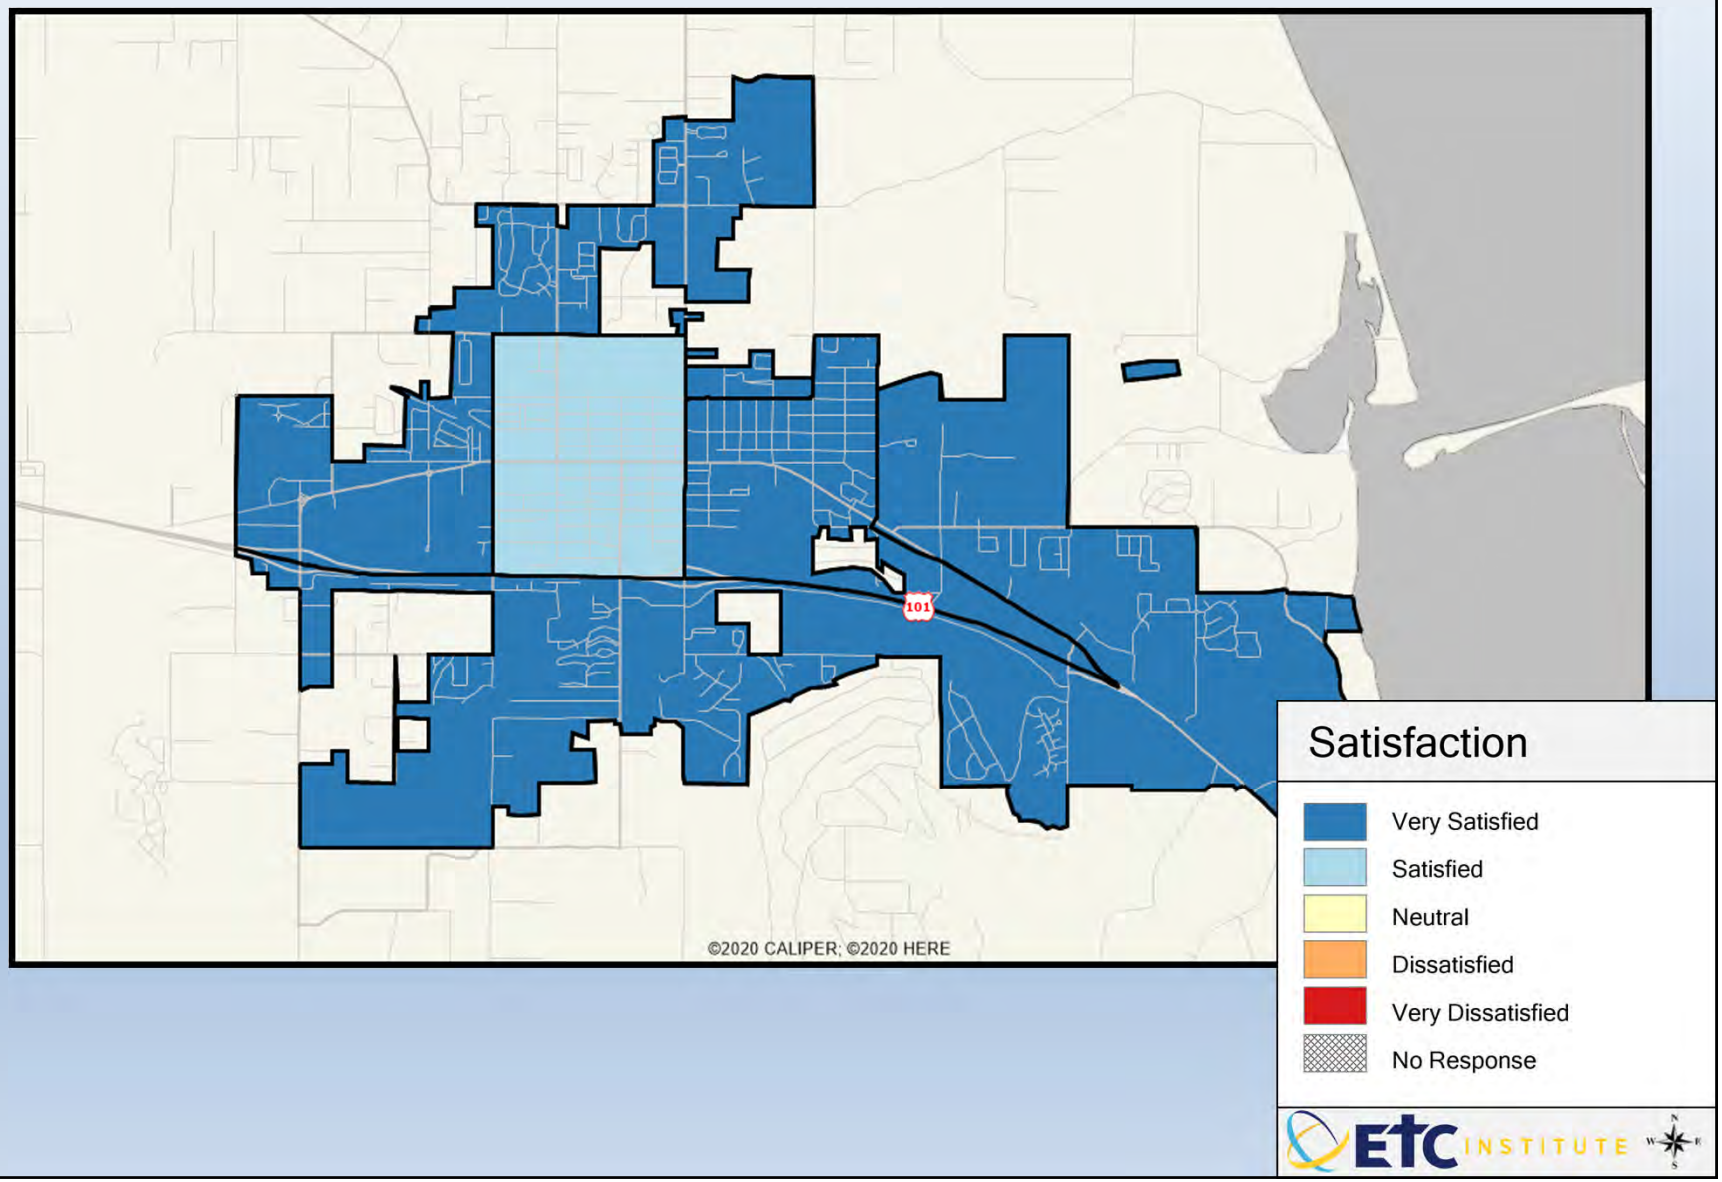

- ORANGE/RED shades indicate NEGATIVE ratings. Shades of orange/red generally indicate dissatisfaction with a service, ratings of "below average" or "poor" and ratings of "unsafe" or "very unsafe."

Location of Respondents

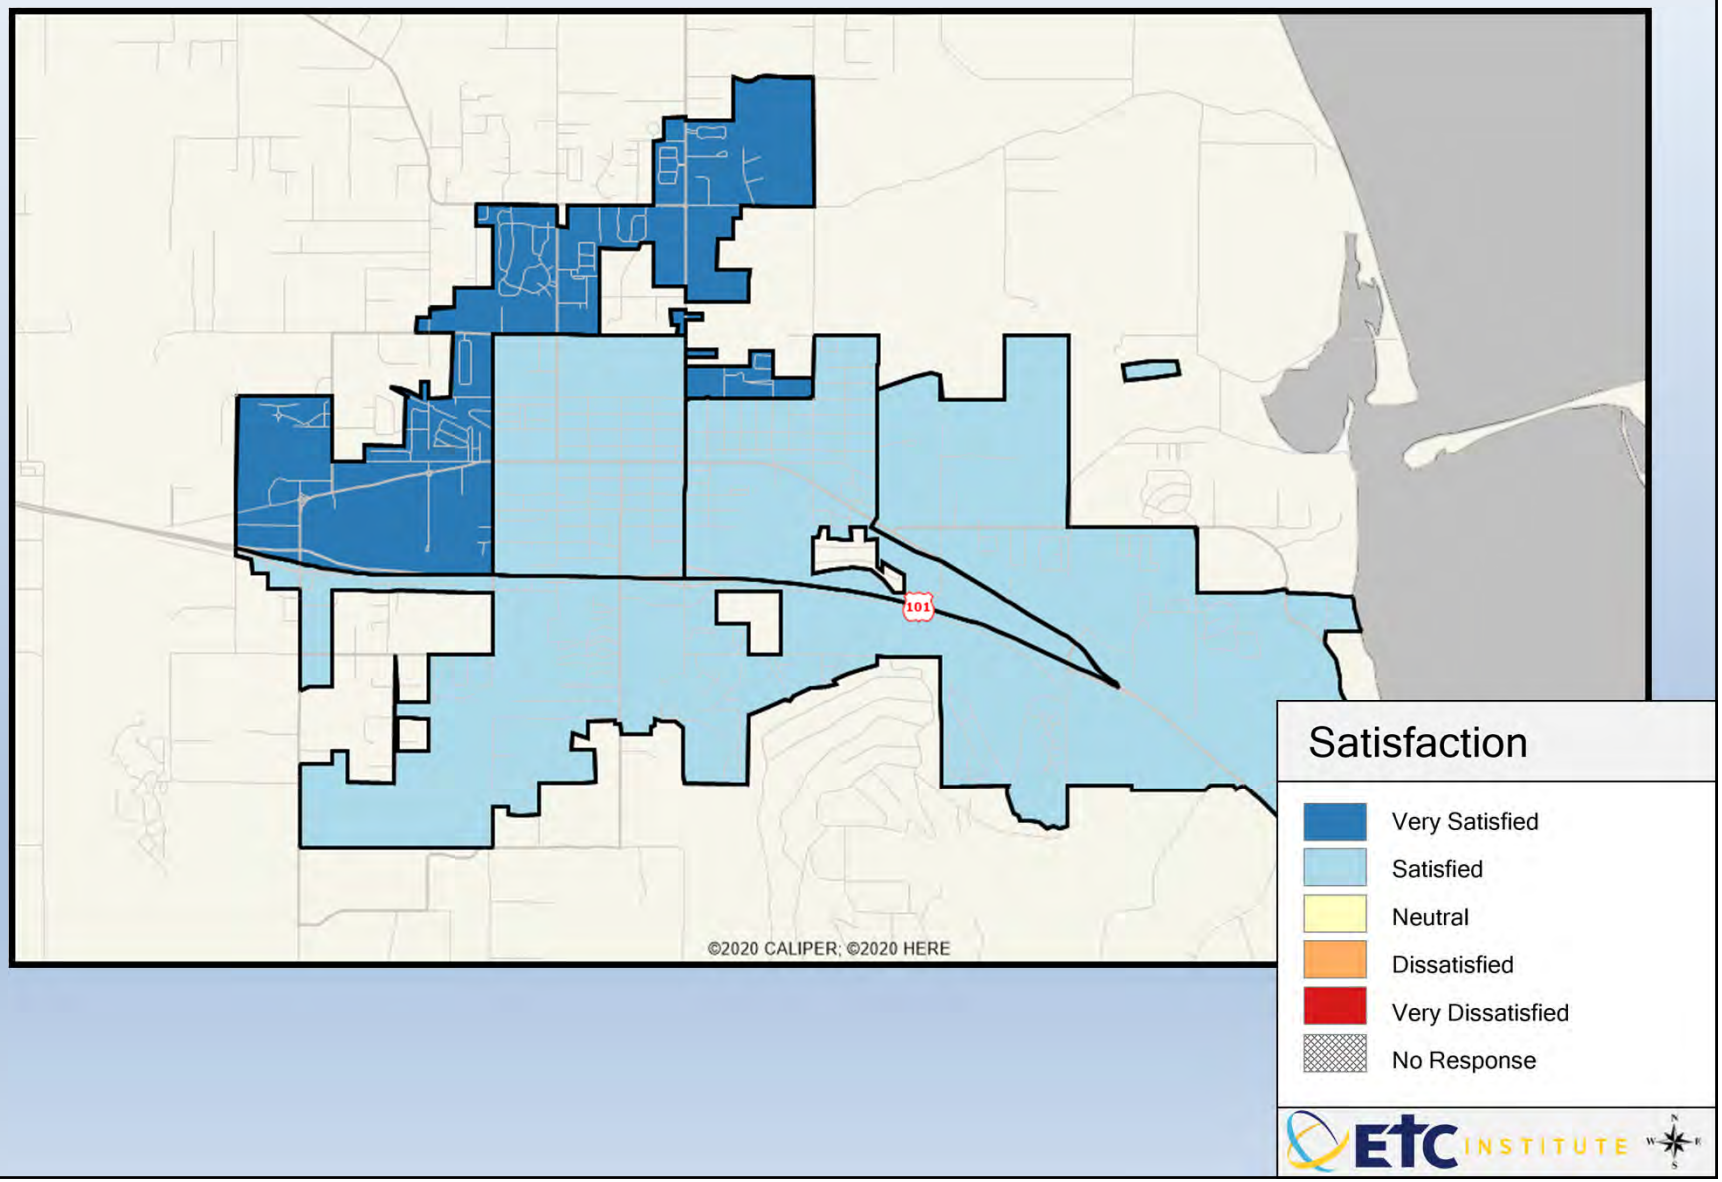

(Boundaries by CBG)

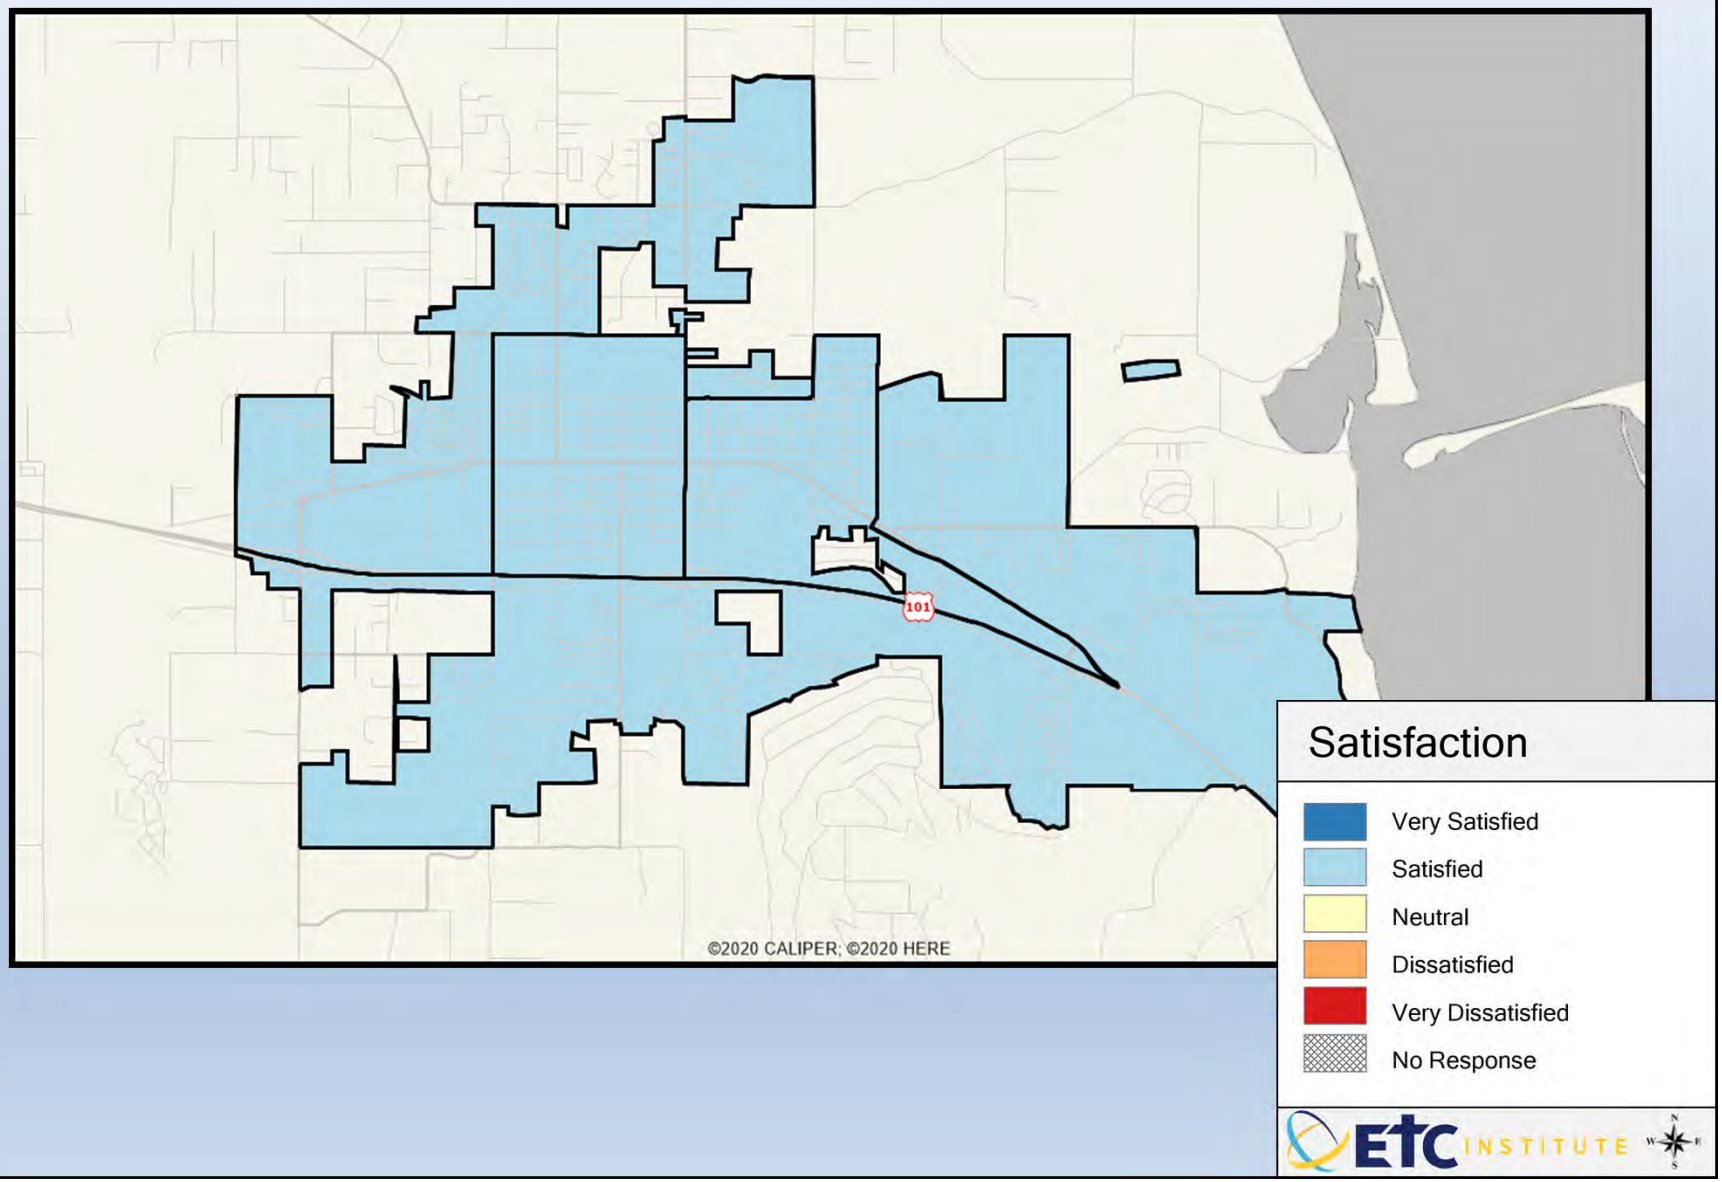

Q1-01. Overall quality of life in Sequim

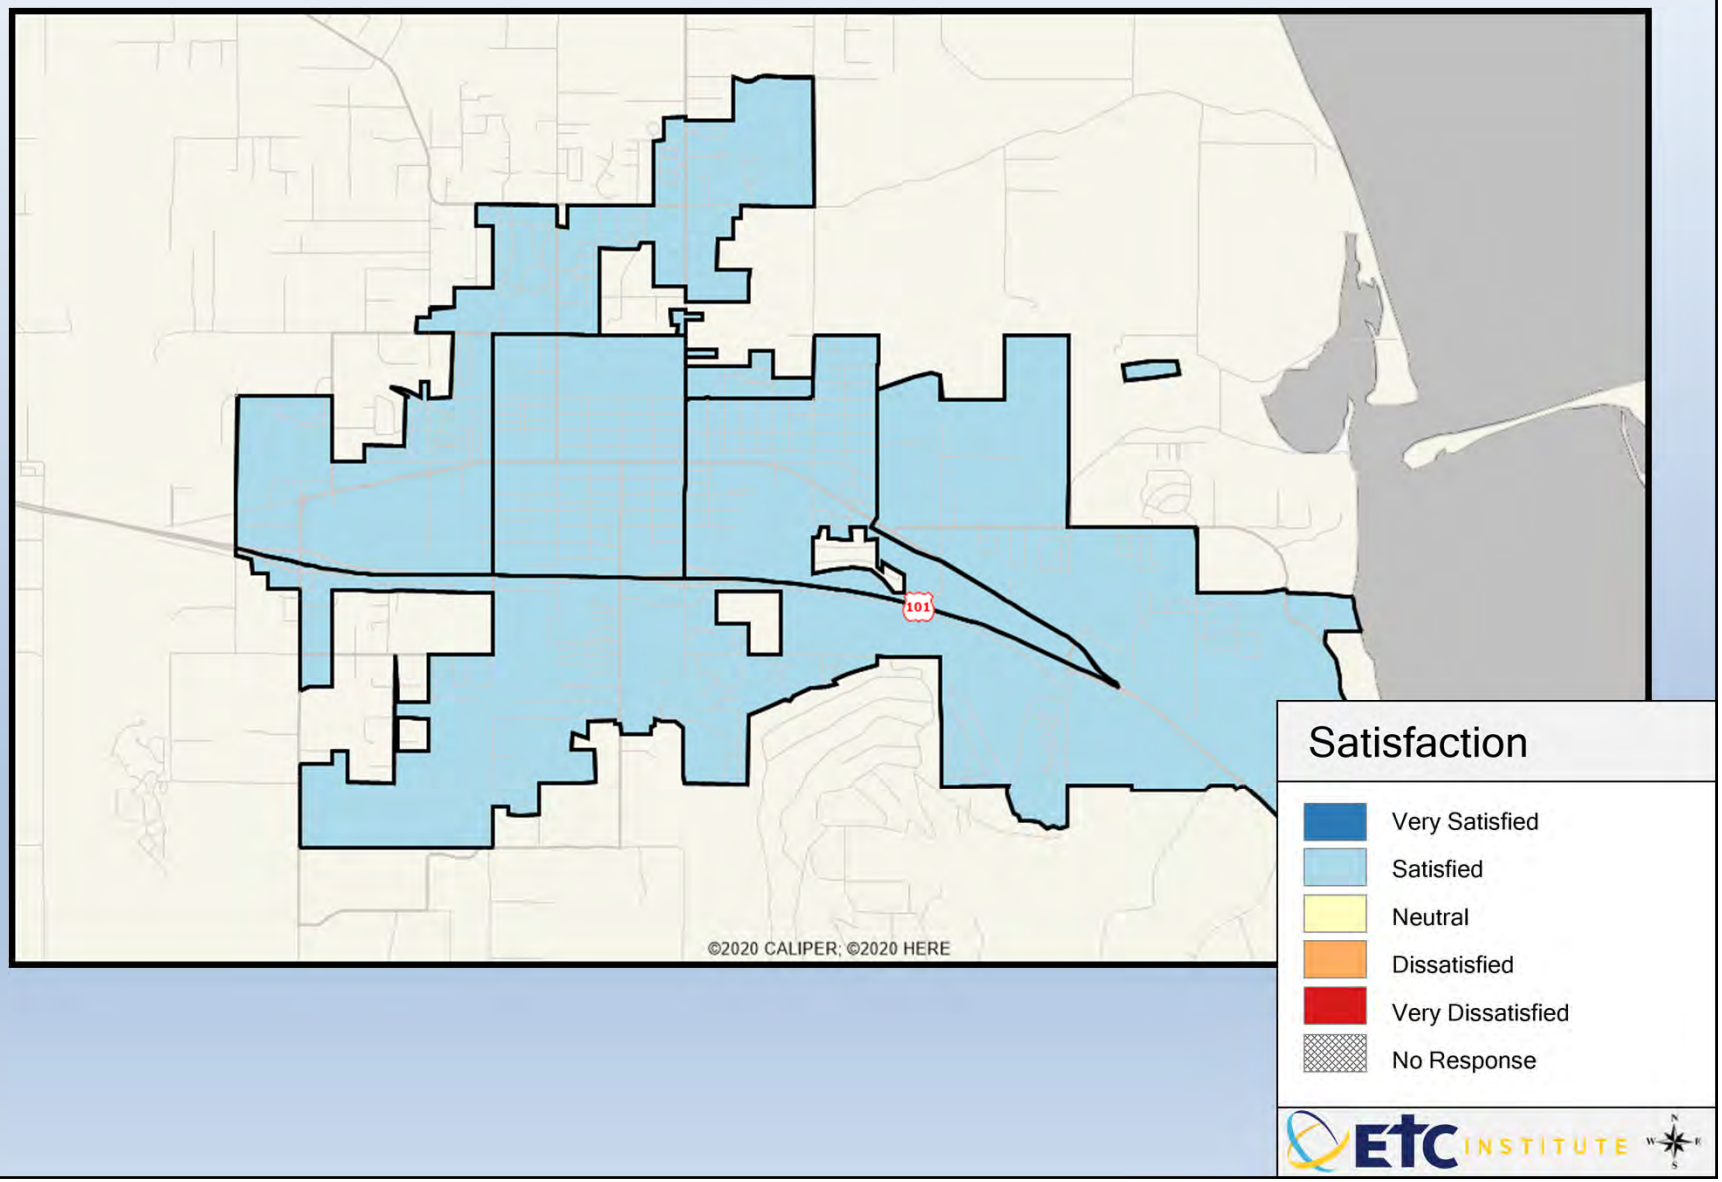

Q1-02. Your overall feeling of safety in the City

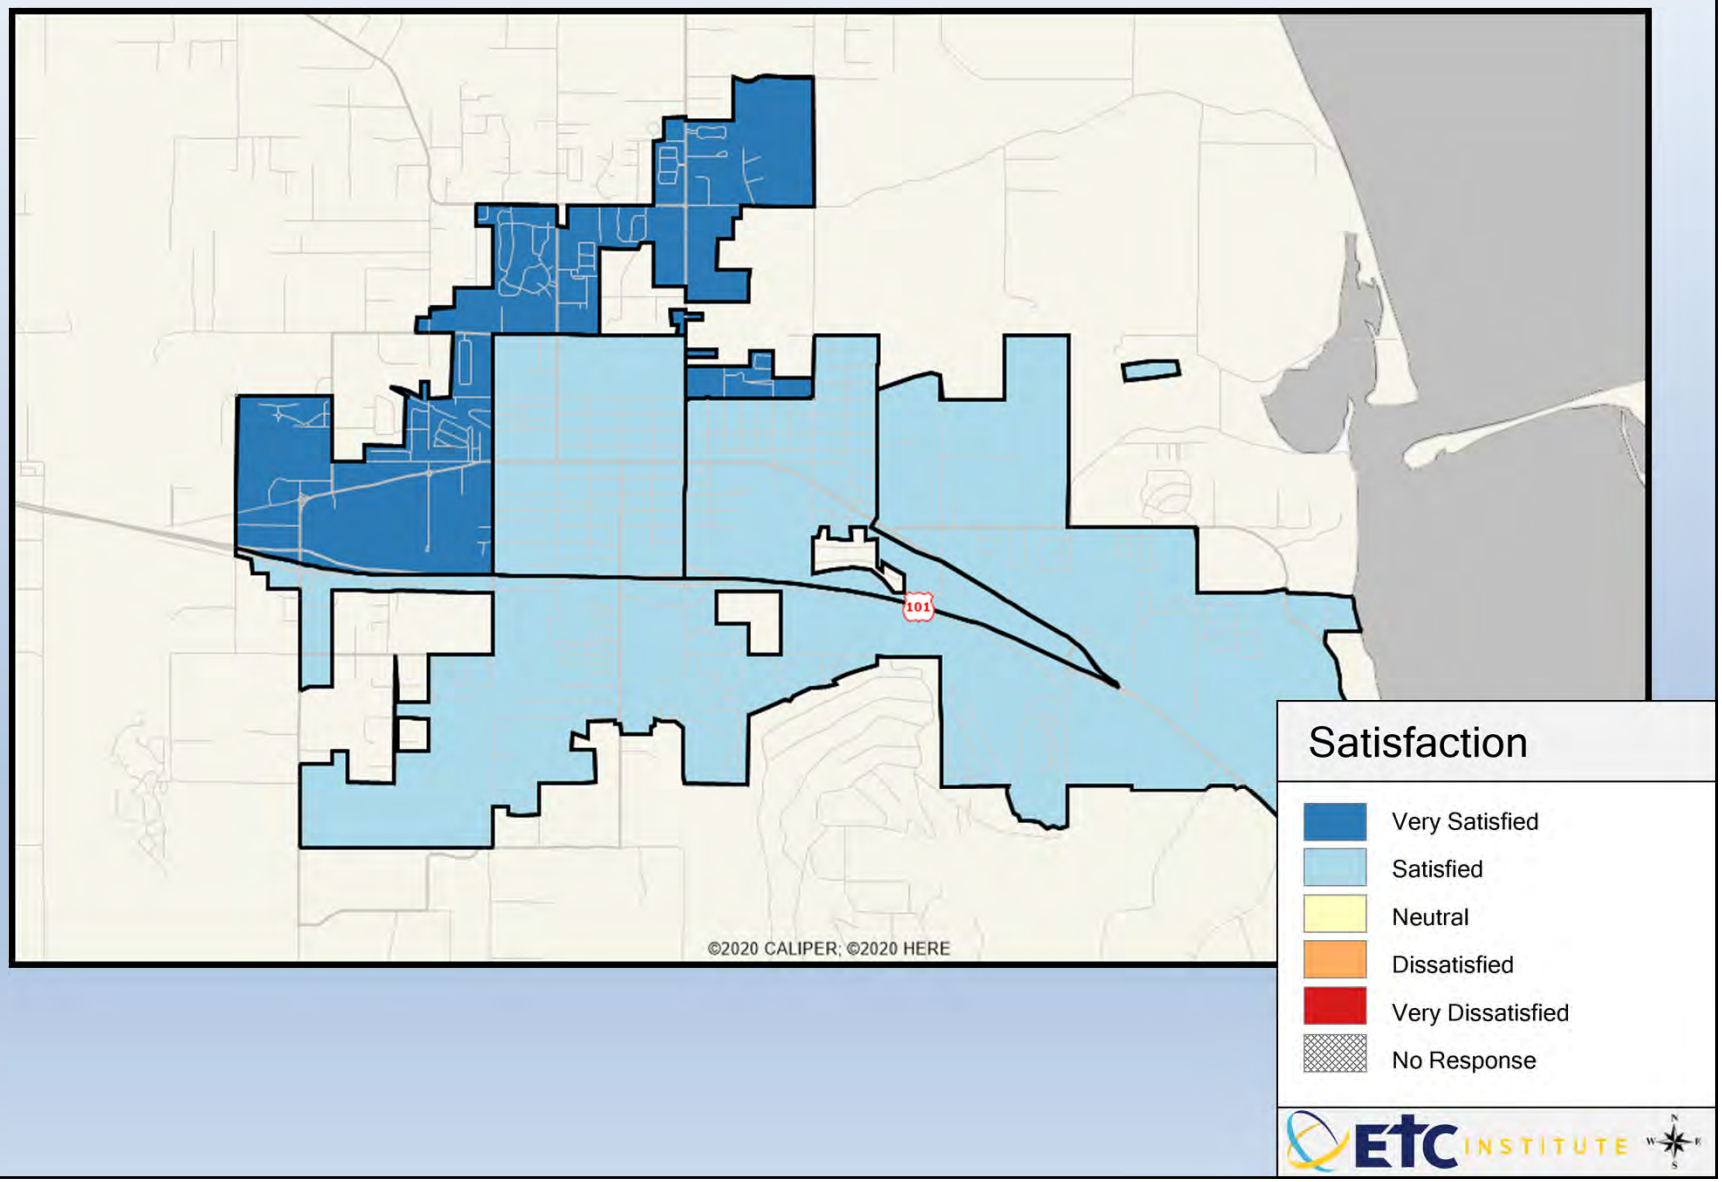

Q1-03. Overall appearance of your community

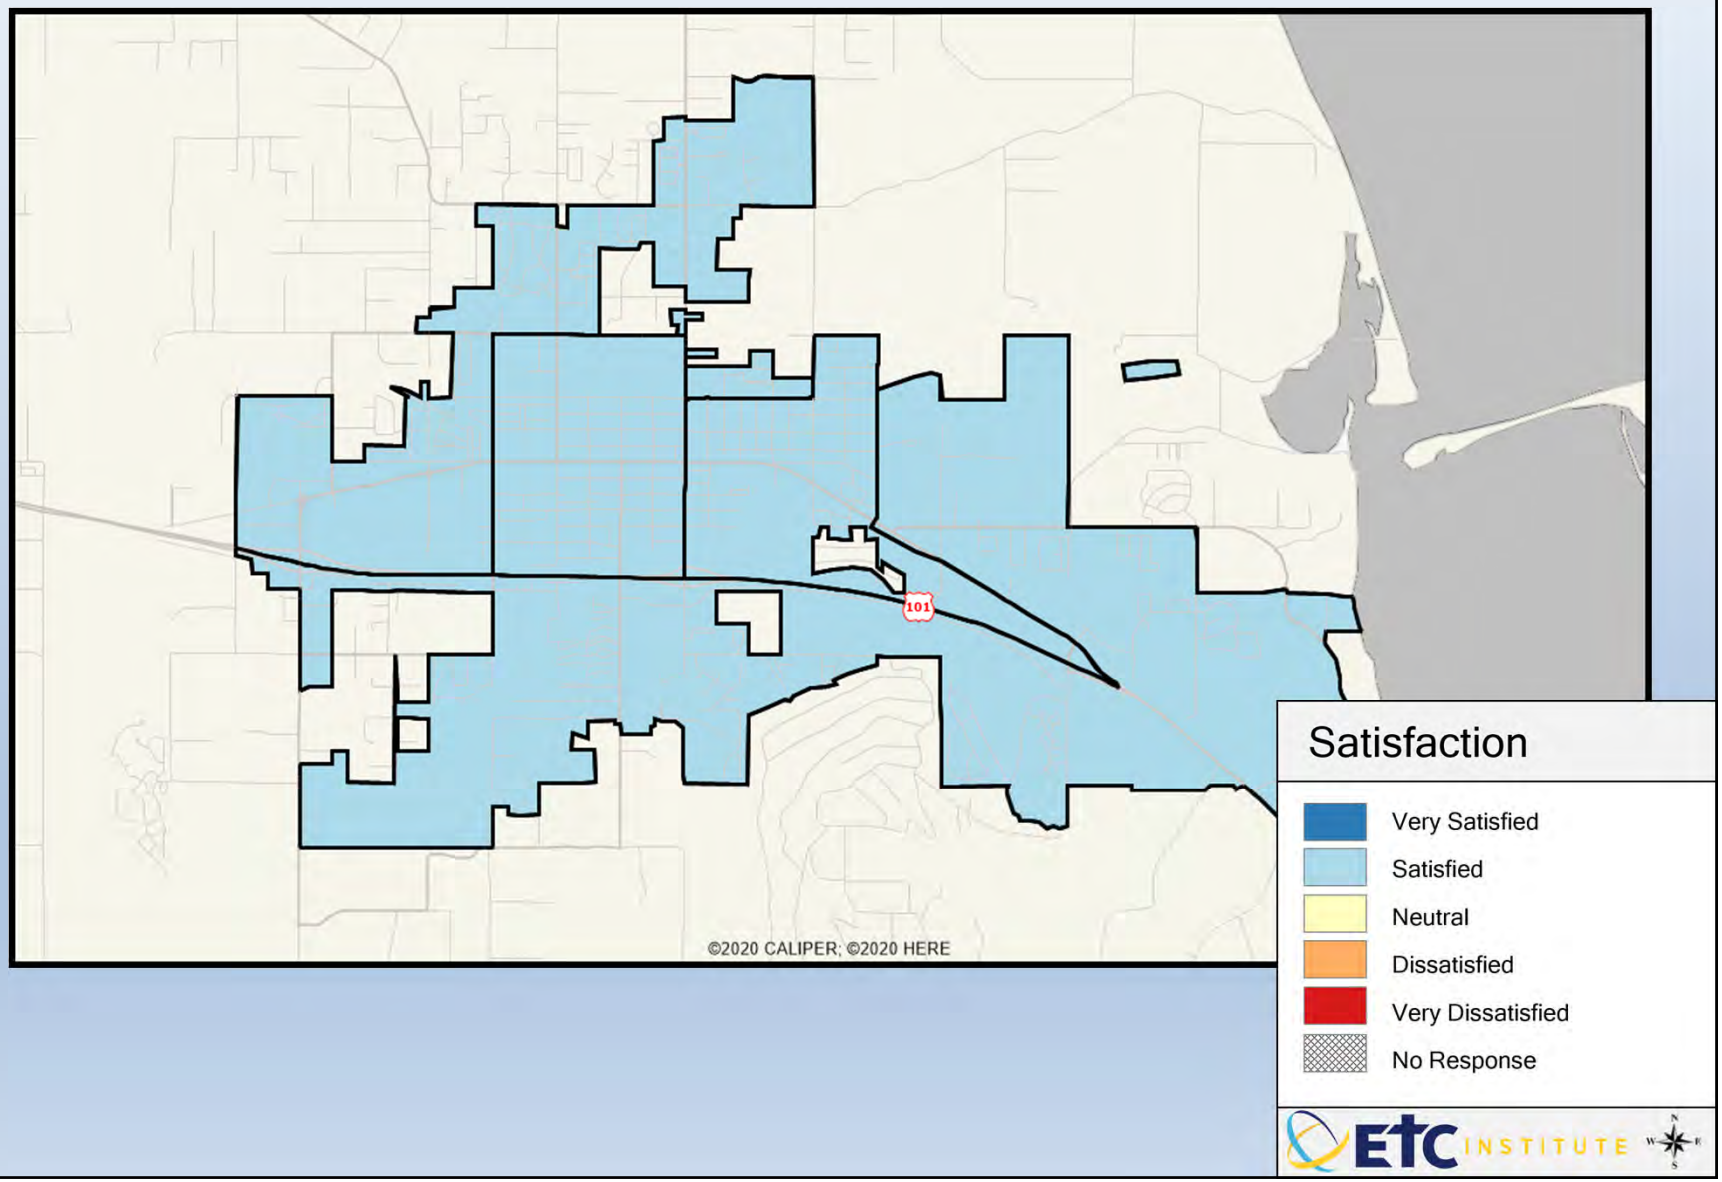

Q1-04. Quality of Sequim's downtown area
