3. RULES AND REGULATIONS

- A. No person, firm or corporation shall receive more than one permit for the sale of fireworks during any one calendar year.
- B. The City shall not issue more than one permit for each 1,500 persons residing within the Sequim City limits.
- C. Application for a permit within the City limits shall be made at least 45 days prior to the requested effective date of the permit. No permit application shall be submitted prior to January 1 of the year in which such permit is requested.
- D. All information submitted herein is true and correct.
- E. The sale, transportation, possession or discharge of unclassified fireworks within the City limits is prohibited. Fireworks must be marked with the manufacturer’s license number and the State Fire Marshal’s classification.
- F. The City Fire Marshall shall have the inherent authority to prohibit the use and sale of fireworks at any time when he or she deems such sale and use to be a danger to the public health, safety and welfare, and specifically when he or she deems the weather conditions to be such that there is an unacceptably increased risk of fire.

- G. Fireworks may be sold and purchased:
 - a. June 28 from Noon to 11:00 p.m.;
 - b. June 29 through July 4 from 9:00 a.m. to 11:00 p.m.; and
